## welcome to catalan

We've been serving great fresh food to the people of Warwick & visitors alike since 2004!

While our menus constantly change, we have always had tapas at our heart, great social, sharing food prepared fresh every time.

Now entering our 14th year, we are thrilled to offer you our latest menu. Together with your favourites, Head Chef Darion and his team, have developed some more unusual Spanish fare not often seen on menus here in the UK.

Enjoy!
