Thank you for joining us today and doing your bit in supporting small independent restaurants! Your business is appreciated.

Catalan has been a fixture of the dining scene in Warwick for 15 years, having opened our doors to the public in March 2004. Over the years, we have shared numerous life events with our customers; birthdays, anniversaries, engagements, weddings, christenings, Mayor Makings and sadly, wakes.

The young staff serving you today are the doctors, TV presenters, scientists, lawyers and more of tomorrow, following in the footsteps of their predecessors (we've been a part of the journey for all of the aforementioned professions with our past staff).

As most of our dishes are prepared to order, we can usually add or omit ingredients to suit your taste. Ask your server if we can help.

Finally, enjoy your visit.
